EPOS Solutions

EPOS Systems, Cash Registers, Cashless Systems, Software Solutions, C.C.T.V, Nationwide Service

10th June 2008

To Whom It May Concern,

Frank at the Consultancy Group has been managing our account for the past few years with never a problem and I have found him to be totally professional in the dealings I have had. Calls are always dealt with quickly with nothing too much trouble, I trust Frank to administer my ninety four business phones and would have no second thoughts in recommending Frank at the Consultancy Group to any business.

Yours faithfully

Clive Quinn
M.D. of Operations
