The Consultancy Group
Communications & it solutions

We are running a busy removal firm and it is important that all our mobile phones are looked after at all times and that the price is as low as possible.

As we don't have the time to shop around for the best contracts, I was very pleased that we were contacted by a company who did look into all of these issues on our behalf.

Patrick at the Consultancy Group has managed our mobile phone contracts with great efficiency and has saved us an average of 30% on our mobile phone bills.

I would recommend the Consultancy Group to any business using mobile phones. As a small company it is nice to get a personal friendly service and to save money at the same time.

A handwritten signature in black ink, appearing to read 'Sandie Michiels', is written over a faint, large globe graphic in the background.
